Dear Families,

I am writing to provide you with information about an upcoming event at Liberty Middle School. We have partnered with the LMS PTA and Liberty High School to provide an opportunity for our students and the community. On April 3, 2019, our students will view a 47-minute film called *Screenagers* during the school day and on April 9, 2019, at 6:00 pm we are going to show the same film in an extended version to the community.

*Screenagers* is a documentary-style film that explores the “messy struggles over social media, video games, and academics. The film offers solutions on how we can help our kids navigate the digital world.” If you would like to research more about this film, please visit the following link

<https://impactflow.com/event/presented-by-liberty-middle-school-10249>. Following the screening, there will be a panel discussion where those in attendance will interact with a panel consisting of administrators, parents, law enforcement officers, and others. Here are some details:

**Where:** LMS Cafeteria  
**When:** April 9, 2019  
**What:** 5:30-Dinner (provided by the PTA)  
6:00-*Screenagers* showing followed by a brief break  
7:15- Panel Discussion

If you would like to attend the community showing of this film, please RSVP at the following website (note that the event is free): <https://impactflow.com/event/10249/checkout/tickets>

Upon review of the content of the film, if you feel any of the content being taught is NOT appropriate for your child to view during the school day then complete the form below by Friday, March 29, 2019.

Thank you for all you do for our school and, most importantly, our students. If you have any questions or concerns, do not hesitate to contact me by phone at 540-586-2541 or by e-mail at [kdills@bedford.k12.va.us](mailto:kdills@bedford.k12.va.us).

Sincerely,

Kathleen S. Dills, Ed. D  
Principal, LHS
